

PLAN OF THE LIBRARY

The book collection is organized as follows:

- In the **reading hall**: reference books (encyclopedias, lexica, art books etc), textbooks and primary sources (ancient writers and patristic texts)
- In the first **bookstand**: journals, series, thematic cycles, doctoral and postgraduate theses as well as the old books collection
- In the **second big bookstand**: the main collection and various Histories
- In the **second small bookstand**: a small collection of journals, Slavic books and various reprints
